DETAILED ACTION

Allowable Subject Matter

1. Claims 10-11 are allowed.

The following is an examiner's statement of reasons for allowance: The newly supplied art of record submitted by Applicant on 7 June 2005, Brandenburg US Patent No. 5,894,516 and the submitted Japanese patent documents, fail to teach the claimed context information saving unit being configured to generate a random number as temporary key, to encrypt the context information, and to save an encrypted context information into the external memory, the encrypted context information containing a first value obtaining by encrypting information indicating the execution state of the one program by using the temporary key and a second value obtained by encrypted the temporary key using the public key. As a result, the newly cited prior art of record fails to anticipate or render obvious the above-cited claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
